

INDIANAPOLIS

GAINING MOMENTUM

IU Indianapolis launched as an independent campus on July 1, 2024 and we're moving forward with deep commitment to the success of our students, a focus on making groundbreaking discoveries, and steadfast service to the city of Indianapolis, the state of Indiana, and beyond.

WE MAKE HIGHER EDUCATION MORE ACCESSIBLE

- **\$56 million** in scholarship funds
- **77%** of undergraduates receive financial aid
- **47%** of students graduate without student loan debt
- **81** Indianapolis Public School students have been enrolled through the Seamless Admissions Initiative

WE CREATE INDIANA'S WORKFORCE

- **88%** of graduates were employed full or part time, entered volunteer service or the military, or continued their education within six months of graduation
- **86%** of grads stay in Indiana after graduation
- **219,000+** living IU Indianapolis alumni

PREPARING THE NEXT GENERATION FOR SUCCESS IN THE INDIANA WORKFORCE

IU Indianapolis undergraduates gain internship, research, and other real-world experience before they graduate, so their careers hit the ground running. Our graduate programs and certificates provide professionals the opportunity to level up.

FUTURE-FOCUSED ACADEMIC EXCELLENCE

375+

degree and certificate programs

80+

study abroad programs

13:1

A PREMIER PUBLIC URBAN RESEARCH UNIVERSITY

Our research aims to meet the most pressing challenges Indiana and the world face today. Our research institutes and consortia make a difference by elevating understanding and discovery in artificial intelligence, informatics, planetary sustainability, health economics, and community-engaged research that impacts health equity outcomes.
